The Devices are currently located at Homeland Security Investigations—Property Room, 125 West 15th Street, Suite 500, in Tulsa, Oklahoma.

This warrant authorizes the forensic examination of the Device for the purpose of identifying the electronically stored information described in Attachment B.

ATTACHMENT B

Particular Things to be Seized

All records on the Device(s) described in Attachment A that relate to violations of 21 U.S.C. §§ 846 and 841(b)(1)(A)(viii), and 18 U.S.C. § 2 – Drug Conspiracy; and 21 U.S.C §§ 841(a)(1) and 841(b)(1)(A)(viii) and 18 U.S.C. § 2 – Possession of Methamphetamine with Intent to Distribute.

1. Records relating to communication with others as to the criminal offense(s) listed above; including incoming and outgoing voice messages; text messages; emails; multimedia messages; applications that serve to allow parties to communicate; all call logs; secondary phone number accounts, including those derived from Skype, Line 2, Google Voice, and other applications that can assign roaming phone numbers; and other Internet-based communication media;
2. Records relating to documentation or memorialization of the criminal offense(s) listed above, including voice memos, photographs, videos, and other audio and video media, including Exchangeable Image File (“EXIF”) data and any other metadata associated with those photos and videos, including device information, geotagging information, and information about the creation date of the audio and video media;
3. Records relating to the planning and execution of the criminal offense(s) above, including Internet activity, firewall logs, caches, browser history, and cookies, “bookmarked” or “favorite” web pages, search terms that the user

entered into any Internet search engine, records of user-typed web addresses, account information, settings, and saved usage information;

4. Application data relating to the criminal offense(s) listed above;
5. Threatening communications related to the criminal offense(s) listed above;
6. All bank records, checks, credit card bills, account information, and other financial records. Records relating to financial data, to include bank records, checks, credit card bills, account information, and other financial records, electronically stored records showing proof of residence, proof of storage unit use and/or rentals, additional properties owned or documents reflecting stash houses, real estate transaction documents, rental agreements or documents, as well as automotive sale or purchase or financing documents, electronically stored documents purporting to indicate income or salaries received reflecting employment, hours worked, wages earned, withholdings, W-2 and W-4 forms, (blank or executed), state and federal tax returns or documents pertaining to the preparation thereof, electronically stored records showing secret clientele lists, business associates, and diversification of wealth, United States Currency, any other electronically stored tangible items evidencing the obtaining, transfer, secreting, and/or concealment of assets and/or money, electronically stored records, documents, receipts, and/or negotiable instruments which evidence the purchase of negotiable instruments and/or the

structuring of currency transactions to avoid the filing of currency transactions reports and/or the laundering of monetary instruments, electronically stored documents evidencing fruits, instrumentalities, monies, records, and notations, associated with the crime(s) listed above.

7. Evidence of user attribution showing who used or owned the Device(s) at the time the things described in this warrant were created, edited, or deleted, such as logs, phone books, saved usernames and passwords, documents, and browsing history;
8. All records and information related to the geolocation of the Device(s) and travel in furtherance of the criminal offense(s) listed above; and
9. All records and information related to the coordination, agreement, collaboration, and concerted effort of and with others to violate the criminal statutes listed above.

As used above, the terms “records” and “information” include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored, including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.
